**Special Traffic Enforcement Program**

Marshall County Iowa -

Sheriff Kamatchus announces today that the Marshall County Sheriff's Office, along with other agencies across the state, will be participating in the Special Traffic Enforcement Program (STEP) this Thanksgiving holiday. The main focus will be on safety belt use during the Click It Or Ticket program. According to the National Highway Traffic Safety Administration 44% of all passenger vehicle occupants killed in fatal crashes in Iowa during 2006 were not wearing their safety belts at the time of the fatal crash. During this project the Marshall County Sheriff's Office will have extra Deputies on the roads looking for traffic violations. This project is being held from November 19th to November 25th.
